Subject: HAMP Call meeting minutes from 9-25-17 funding meeting

Hello Carroll, Tim,

Attached are EPA and IHS notes from our 9/25/17 HAMP call wherein we discussed funding commitments, contingencies and phasing options for the HAMP. Please review and let me know if you have questions about the notes, commitments and contingencies on those funding commitments from our agencies.

I plan to send out notes from our 10/4 call tomorrow or early next week. Thanks

Emmanuelle
